MEMORANDUM OF UNDERSTANDING BETWEEN THE
GOVERNMENT OF THE INDEPENDENT STATE OF
PAPUA NEW GUINEA AND THE GOVERNMENT OF AUSTRALIA,
RELATING TO THE TRANSFER TO AND ASSESSMENT OF
PERSONS IN PAPUA NEW GUINEA, AND RELATED ISSUES.

The Government of Papua New Guinea and the Government of Australia (the Participants),
wishing to build on their existing strong and cordial relations, have come to the following
Memorandum of Understanding (the MOU) in relation to the assessment in Papua New
Guinea of certain persons, and related issues.

Preamble

Noting that:

- The Participants are State parties to the 1951 Convention Relating to the Status of
  Refugees and its 1967 Protocol, and acknowledge the importance of inter-country
  cooperation to undermine the People Smuggling industry;
- The Participants share a longstanding bilateral relationship of cooperation on
  migration and in combating transnational crime;
- Irregular Migration is a continuing challenge for the Asia-Pacific region;
- While border control and law enforcement measures are important, practical
  cooperative solutions that also address humanitarian needs are required; and
- The Government of Australia appreciates the offer made by the Government of
  Papua New Guinea to host an Assessment Centre for Asylum Seekers in Papua
  New Guinea.

Recalling that:

- At the Fourth Ministerial Conference of the Bali Process on People Smuggling,
  Trafficking and Related Transnational Crime (the MCBP) held in Indonesia on
  29-30 March 2011, Ministers agreed:
  - to a regional cooperation framework that would provide a more effective
    way for interested states to cooperate to reduce Irregular Migration in the
    region;
  - that the framework would be operationalised through arrangements entered
    into between interested participating states on a bilateral or sub-regional
    basis (noting the cooperation that might be available from relevant
    international organisations regarding implementation);
that those arrangements would be consistent with the core principles at paragraph 16 and guided by the considerations set out in paragraph 19 of the MCPB Co-Chairs’ Statement;

that any arrangements should seek to undermine the People Smuggling model and create disincentives for irregular travel, including through possible transfer and readmission arrangements in appropriate circumstances; and

that due to the large scale of irregular movement it would be appropriate to focus arrangements on a selected caseload or caseloads.

Recognising:

- the need for practical action to provide a disincentive against Irregular Migration, People Smuggling syndicates and transnational crime and intended to promote orderly migration and humanitarian solutions;
- the need to take account of the protection needs of persons who have moved irregularly who may be seeking asylum;
- the impact that an arrangement could have in providing a disincentive for Irregular Migration and creating increased protection opportunities for those in need of international protection; and
- the need to ensure, so far as is possible, that no benefit is gained through circumventing regular migration arrangements;

the Participants have reached the following common understanding regarding a transfer arrangement, whereby Australia would Transfer persons to Papua New Guinea for processing of any asylum claims that Transferees may raise.
